## National Verifier Legacy URLs

---

August 8, 2023

On May 4, 2023, USAC transitioned the National Verifier portal from [nv.fcc.gov](http://nv.fcc.gov) to [GetInternet.gov](https://www.getinternet.gov). At the end of August, USAC will be retiring legacy National Verifier URLs to the online applications for the Lifeline Program and Affordable Connectivity Program (ACP).

- Consumers can access the online application for the Lifeline program at [LifelineSupport.org](https://www.lifelinesupport.org) using the “Apply Now” button.
- Consumers can access the online application for the ACP at [GetInternet.gov](https://www.getinternet.gov). This site can also be accessed in Spanish at [AccedealInternet.gov](https://www.accedealinternet.gov).

Service providers are encouraged to update their consumer-facing materials.
