The E-rate Program

Welcome E-rate Participants

Fall 2012 Applicant Trainings

Overview

- FCC FY 2012 Rollover Order impact

- What will E-rate FY 2013 look like?

- Training agenda highlights

FCC FY 2012 Rollover Order

- Enough money for all Priority 1 (P1) applications
- Enough money for all Priority 2 (P2) applications at 90%
- Deny all P2 at 89% and below for lack of funds
- Largest first wave in history
- To date, 80% of apps completed
- To date, 42% of dollars committed
- By EOY, 99% of P1 and 93% P2 done

E-rate Program Overview

What will FY 2013 look like?

- **More of the same, probably**
- **High demand for P1, maybe more than last year**
- **Stress on P2 funding**
- **Uncertain rollover amounts**
- **Window dates TBD**

Training Agenda Highlights

- Eligible Services List

- Program Compliance

- Audit Process

- Myths and Misconceptions Debunked

- Changes and Corrections
