- Fields most useful for sorting are first (Form 470 Number, State, Entity Number, Applicant Name)
- Entries for each service category are concatenated
 - Each category of service can have multiple lines; each line includes “Service” and “Quantity and/or Capacity”
 - All of the information for each category of service appears in a single cell, with three hyphens between entries in the same line and three slashes between lines:

Service 1---Quantity 1///

Service 2---Quantity 2///

Service 3---Quantity 3///
