#### What's New

- BCAP service provider audits
- Start in late spring 2013
  - Desk audits (no site visits)
  - Randomly selected
  - Auditing of invoices submitted
  - Auditing FYs 2010 and 2011
  - Applicants may receive a questionnaire about the service provider's process (e.g., were services delivered timely)
- USAC prepared a documentation checklist for service providers to use when preparing for an audit. The list is located on USAC's website as <u>BCAP Checklist</u>.

## **Invoicing**

## **Invoicing Findings**

- Recurring services received and invoiced after the end of the fund year in which the services were requested
- Ineligible equipment or services on the invoice
- Discount incorrectly calculated on the invoice

#### Avoid by:

- Using the FCDL to prepare the SPI or BEAR.
- FCDL comments explain what ineligible entities or services were removed and/or the amount of funding reduced.
- Discount percent, last date to invoice, recurring and nonrecurring amounts are listed on the FCDL.

#### **Competitive Bidding**

## **Competitive Bidding Finding**

Disqualification factors improperly applied

- Service providers are not informed about disqualification factors (e.g., mandatory walk-through).
- Applicant lacks documentation to support why bids were disqualified.

#### Avoid by:

Inform potential bidders about disqualification factors. Include on FCC Form 470 description of services, RFP (or other document describing the procurement), or post the disqualification factors on your website. Make sure the information is accessible.

#### **Competitive Bidding**

#### **Competitive Bidding Finding**

Price of eligible goods is not the primary factor in the bid evaluation

#### Avoid by:

- Create separate criteria for other evaluation factors (e.g., ineligible products).
- Weight the criterion for the price of the eligible products and services higher than the other criteria in your bid evaluation.
